Policy

of Local Councils

The Council recognises the advantages of home-based working although it doesn't suit everyone, and some job roles may not be appropriate to undertake at home.

This policy describes the working arrangements and expectations that will apply if you work from home.

Scope of this policy

It applies to all staff who are home-based whether full time, part time or fixed term. It does not apply to office-based staff who work from home on an ad-hoc basis. If you are considering whether to request home-based working, please refer to the Flexible Working Policy.

Safe working environment

Health and safety for home-based staff applies in the same way as office-based staff, insofar as is reasonably practicable, that you work in a safe manner and that you follow all health and safety instructions issued by us.

Some of the most important considerations include: -

- If possible, an area should be set aside form the rest of your living space to ensure that you are able to work from home without distractions,
- Your home office should have adequate space for you to work safely and comfortably,
- Your desk should be large enough to accommodate your equipment and paperwork,
- You should have sufficient storage and your workspace should be organised so equipment is close to hand,
- Your work area should be well lit, with natural lighting if possible,
- Equipment and sockets should be situated to avoid potential trip hazards, and,
- You must also ensure that you visually check the cables of any electronic equipment supplied to you regularly (and at least every 6 months) and report any defects.

Facilities and equipment

The council will provide you with the following equipment for you to work from home and we will maintain and replace these items when necessary.

- [A cupboard or cabinet for storage of paper files
- Two encrypted memory sticks, one as a back-up storage device
- Personal Computer or Laptop, including mouse, keyboard and monitor
- A Printer/Scanner

- A Contract Mobile Phone
- Stationery and Postage as necessary]

It is your duty to ensure that proper care is taken of the equipment provided to you and to let the Clerk know of any need to maintain or replace the equipment

All equipment provided by the council is for you to work safely and effectively at home.

All equipment will belong to the council and you will be required to return it to us promptly should you leave our employment. If we are unable to make suitable arrangements, we may collect the equipment and any documents before your last day.

Hours of work

of Local Councils

As a home-based worker, your contract of employment will either specify your days/times of work, or state that they are flexible and variable.

You must be mindful to take adequate rest breaks which should be, as a minimum:

- A break of at least 20 minutes during each working day over 6 hours,
- A daily rest break of at least 11 continuous hours, i.e. the time between stopping work one day and beginning work the next day, and,
- At least one complete day each week when no work is done.

Potential conflicts of interest

During your hours of work, the council expects that your work environment enables you to work effectively. It is not appropriate to combine homeworking with caring for a dependant.

If there is an emergency and you need to attend to a non-work matter, then you should notify the Clerk (see the Dependant Leave Policy).

Data protection

As a home-worker you are responsible for keeping all documents and information associated with the council secure at all times. Specifically, homeworkers are under a duty to:

- Set up and use a unique password for the laptop computer, and,
- Ensure that documents are saved to password protected memory stick(s) rather than the laptop computer's hard drive.

If you have a telephone conversation where you are discussing confidential work matters, you should ensure that such calls take place in privacy to avoid inadvertent breach of confidentiality.

Visits to work premises

On occasions a Councillor or other staff member may need to visit you at home for work purposes. This will normally not be frequent, and the dates and times of such visits will be agreed with you in advance.

Insurance, mortgage or rental agreements

Whilst our Employer's Liability Insurance extends to home based staff, and any council equipment installed in your home will also be covered, you should ensure that any agreement with your landlord or mortgage lender allows you to work from home, and that your house buildings and contents insurance will not be invalidated by you working from home.

This is a non-contractual procedure which will be reviewed from time to time.
